

April 2008

Dear Friend,

After more than fourteen years of missionary work, Tina and I are drawing on our own experiences to help develop better ways to care for the missionaries in Every Nation Ministries. Through interactions with missionaries from all over the world, we've been able to relate, empathize and add insights into their situations because we've had to walk through the same challenges over the years (the weight of increasing ministry responsibilities, time and financial pressures just to name a few). What a tremendous privilege it's been for us to daily interact with fellow missionaries and encourage them in the work they're doing on their campuses and in the nations.

This fourteen year journey has led us to develop the concept of a member care program. Through observation and feedback from one of the most vital parts of our organization, our field missionaries, we'll be able to better connect our staff to all the helps and resources they need to be even more fruitful than ever before.

Please remember us in your prayers over the next few weeks as we continue to contact missionaries and learn from the information they provide. With the grand goal of caring for missionaries from recruitment to retirement, we believe that this new step will strengthen our staff financially, spiritually and emotionally as they build the kingdom by touching the lives of others with Jesus' love. In the same way that your partnership has helped Tina and I have a long standing career as missionaries, our hope is that through the member care program, we can support and care for missionaries resulting in fruitfulness and longevity for years to come.

On a personal note, Justin and Kobe (our two oldest boys) are playing flag football. I'm helping coach and that should be interesting since I've never played organized football myself. Haha.

Thank you for your partnership with us. Your faithfulness has allowed us to pour into the lives of missionaries resulting in so many lives being touched by Jesus. You're truly a blessing.

Your partners,

Paul & Tina
